NEPA Community HEALTH CARE

November 11, 2026

To our deeply valued patients,

I am writing to inform you that Allison Bunnell will be departing from NEPA Community Health Care, effective Friday, December 18th.

Recruitment of a new primary care provider is currently underway. To ensure continuity of care, prescription refills will be provided for 90 days following Allison's departure.

If you have any questions, please do not hesitate to contact the Montrose (570-278-7500) health center. Our front desk team is available to help and will do their best to address your needs.

Thank you for placing your trust in us to care for you.

In service to you,

Kristen N Follert, M.S.
Chief Executive Officer

In her own words, Allison has this to share with you:

I would like to take a moment to express my sincere thanks for entrusting me with your healthcare needs. Over the last nine and a half years, you have shared so much of your life and your family with me. It has been my great privilege to serve you. I am so grateful for the trust and confidence you have placed in me as your primary care provider.

As my time at NEPA Community Health Care comes to an end, I have decided that it is time to take the next step in my journey by opening a private practice locally.

Thank you again for allowing me to be a part of your life for the last several years. It has truly been an honor to serve you and our community.

With appreciation,

Allison Bunnell, FNP-C
